

**LUXURY HOLIDAY LODGES**  
STONEHAVEN, SCOTLAND

**Welcome to Dalriada...  
where luxury  
meets the  
outdoors...**

Our 5-star self-catering lodges are situated within a secure site, a short distance from the thriving seaside town of Stonehaven. The lodges are each named after the spectacular local sea cliff inlets, many of which can be seen from your private south facing deck or the communal seating area. Here you can watch the dolphins jumping in the bay or simply gaze across to the magnificent Dunnottar Castle.

Each lodge has been thoughtfully designed, all on one level and tastefully furnished by the McAlpine family so you can relax in your home from home, from the moment you arrive.

We have designed everything to make it easy for you to stay with us, including parking adjacent to your lodge, superfast broadband and ample storage for all your gear.

Whether you want to have a relaxing family get together or a very active break with friends, there are a vast range of activities in the area to choose from. Embrace the outdoors then come back to your luxurious lodge to pamper yourself in the en-suite facilities. You may not want to leave your cosy and comfy Hypnos bed and soft linen sheets...but it's your holiday and you get to set your own timetable.

All Dalriada guests staying a minimum of two nights can enjoy a complimentary round of golf at Stonehaven, a jewel of a clifftop course.

We also have preferential rates at many of the local courses.

My family felt taken care of in every way. We would love to stay again!”
